

"In today's service environment it is rare to find a contractor and its employees that not only do quality work in the most cost effective manner, but to also have great customer service skills."

- Bob Lewis, First Federal Bank

At Reynolds Electric, we are proud of our skilled and responsive service team. We provide service with honesty and integrity, no matter how big or small the project.

Our Service Department technicians provide voice/data installation, electrical equipment repair and infrared scanning of electrical equipment. We also provide all types of electrical repairs and modifications.

Customer Driven Electrical Solutions

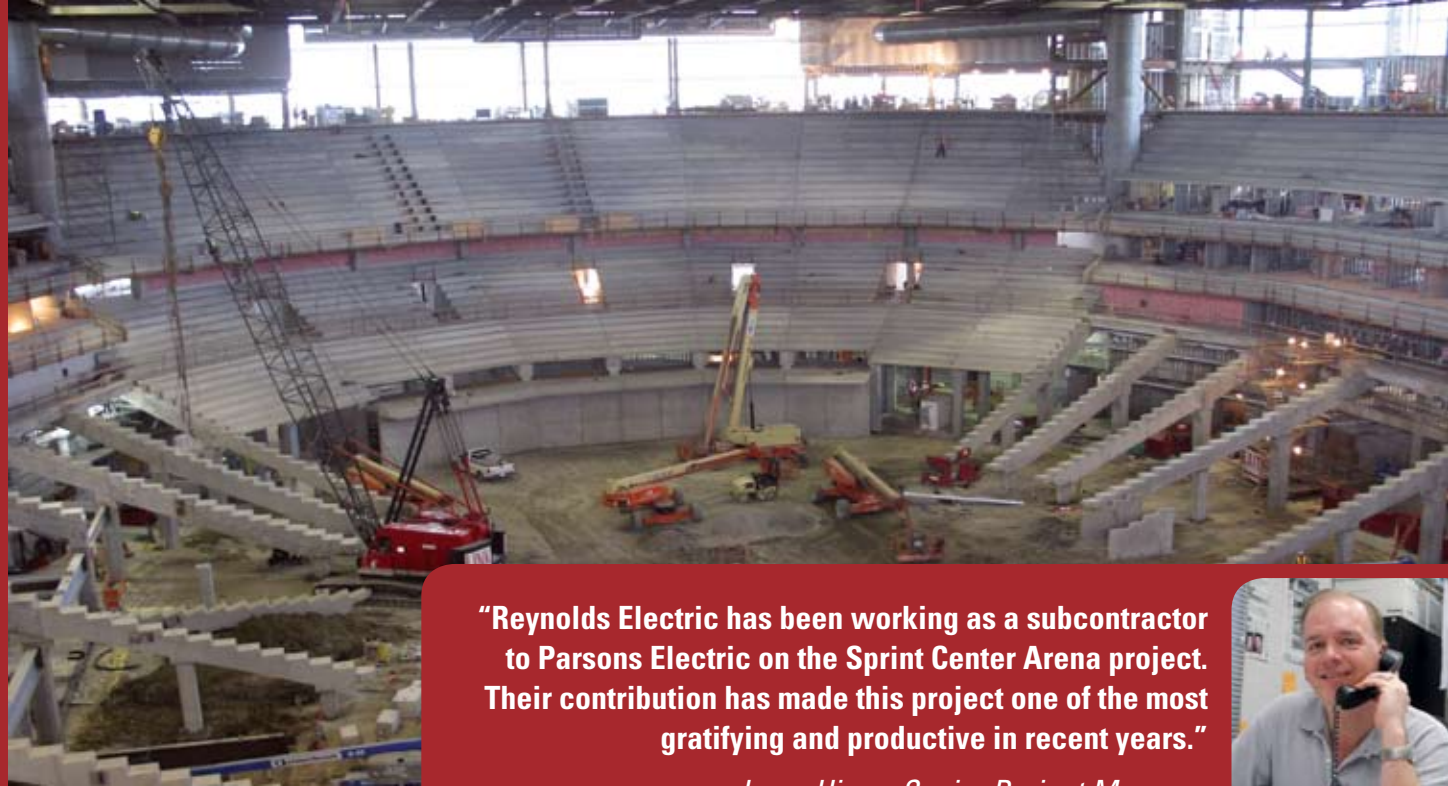

Since 1989, the name Reynolds Electric has been synonymous with quality commercial and industrial electrical installations and service. We maintain the highest standards in electrical construction, innovation and business integrity. Our technicians are the best in the industry and the outstanding on-going training they receive is second to none.

Reynolds Electric has a reputation as a premier electrical contracting firm providing professional electrical installations and service in a variety of commercial, industrial, and institutional applications throughout the greater Kansas City area.

We have been fortunate to serve a long list of valued customers in a professional and cost effective manner. We look forward to providing this same service to you.

Larry Reynolds
President and Chief Executive Officer

"Reynolds Electric has been working as a subcontractor to Parsons Electric on the Sprint Center Arena project. Their contribution has made this project one of the most gratifying and productive in recent years."

- Larry Hinsa, Senior Project Manager
